SEXUAL ETIQUETTE

sex on four wheels

It's not exactly legal. You are not free to have car sex anywhere you like. Society has certain rules against public nudity and exposing private parts. So if you can remain totally clothed while having sex in a car, you would not be breaking any laws, but to have car sex, you usually need to take off (or at least pull up or down) some of your attire.

A car does not grant you privacy as a house does. If you expose yourself in a car, it's the same as exposing yourself in public, which is against the law. If a police officer walks by and sees you in the act, you could be charged with one of several crimes that could include public fornication, indecent exposure or gross lewdness. You could be fined or even arrested, not to mention being embarrassed. And forget about finishing what you started. You can have car sex, just be smart about it.

BEST POSITIONS FOR CAR SEX

When you are interested in how to have sex in a car, you'll want to learn the best positions.

Backseat Driver

Get in the backseat for this one, flip the front passenger seat forward, and slide the seat up as far as it will go toward the dashboard.

You sit down in the backseat, and she sits on top of you, facing away from you. She is in the driver's seat (figuratively not literally) for this one because she controls the action.

Or you can put your hands around her hips to direct her movement. She is in a great position for you to rub her clit, too. And with backseat driver position, you both are in perfect lookout position to spot someone coming toward you. Especially the po-po.

Missionary

You can always have standard missionary sex in the backseat. She might need to bend her knees or throw a leg over the top of the seat to find a workable position. Pull the front seats up as far as they will go to give yourselves more room.

Face-toFace Position

This is also called the Mastery Sex position and it's a good position for having sex in a car in the front passenger seat. You sit on the seat, and she sits on you facing you. She can be quite active in this position, or she can slow things down and be more romantic. This position is super intimate because your bodies are in alignment and you are sitting face-to-face. Both of you have your hands free in this position, so you can caress each other ... anywhere.

Blow Jobs

Bjs are best done in a stationary car. There's no worry about accidents or distractions. If you fantasize about road head while

driving, it's probably best to leave this fantasy as just that, a fantasy. Getting oral sex while you're driving is too dangerous an activity for us to recommend. Think about it: if you're distracted enough when texting while driving to have an accident, just think of how distracted you'll be while cumming!

WorldMag.net

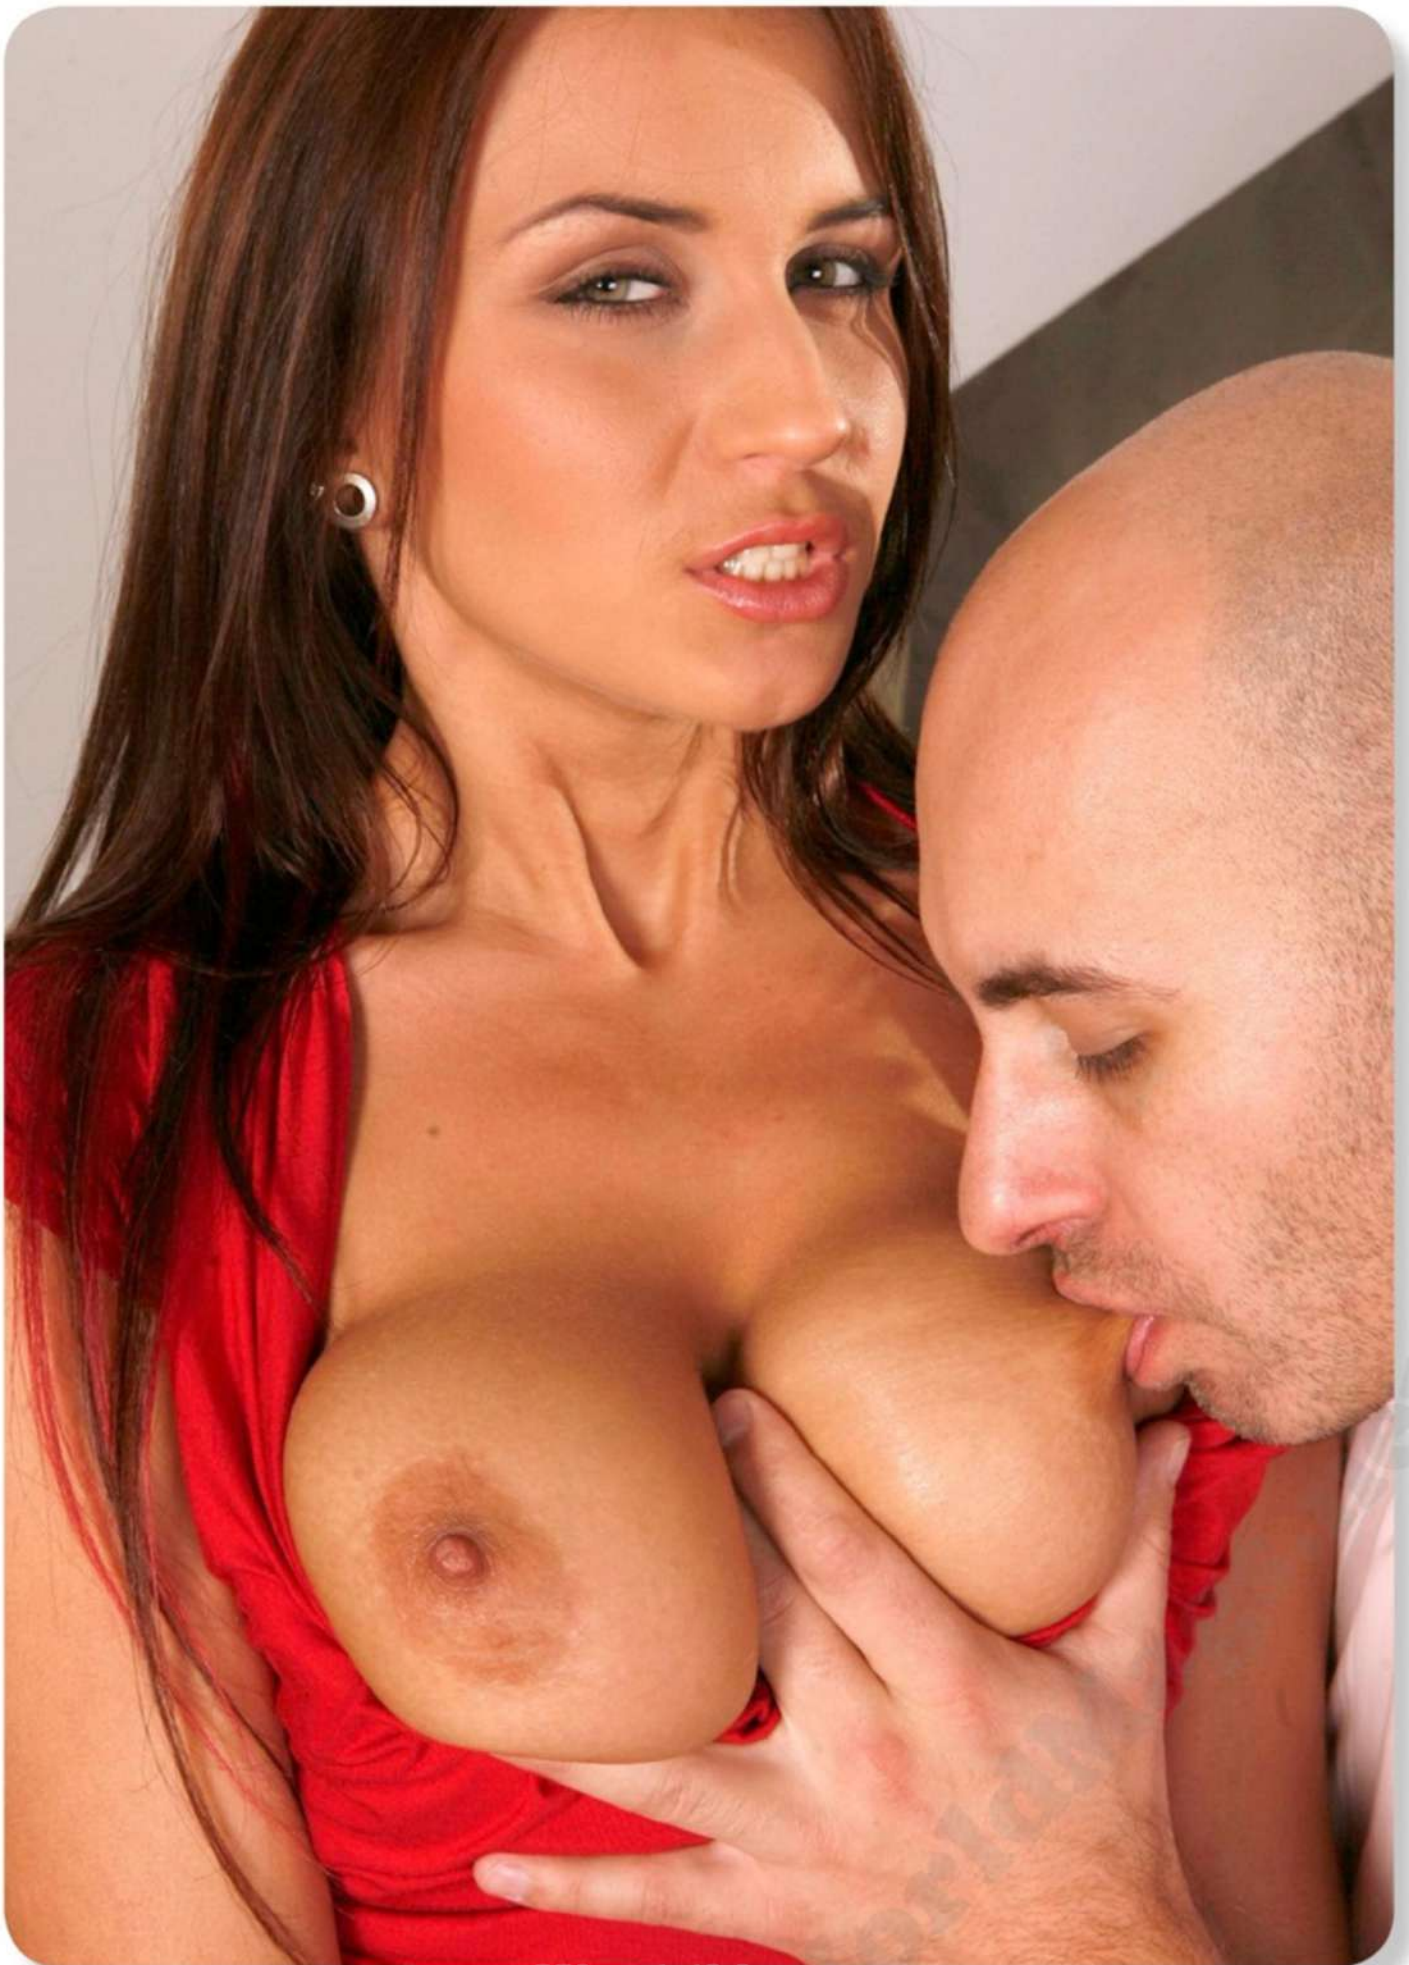

When her man starting getting handsy in the morning, Roxy knew if she let him take her in his arms, he'd dive between her legs. He'd start licking her pussy and flicking his tongue over her clit. Then she'd begin sucking his cock as he tongues her. After Roxy rides his dick, she seizes the sexual energy of the moment and let him deeper inside. Watch the erotically sensual sex that follows as the two lovers moan in the throes of ecstasy.

BLAIR-NTS-03

how did the movie end?

My wife, Shawn, and I have been trying some new places to have sex. No, it doesn't have to be intercourse because that can be difficult to do and if we ever got caught, the laws are pretty severe. They are for hand jobs and oral sex, but that's quicker to end and you don't have to undress anything. So far, we've done it in nine different places and tonight will be the tenth. I won't go through the list, but they include a restaurant, a park, a department store, places like that. This time it's during a major motion picture featuring buff superheroes and all sorts of amazing special affects.

By the time we arrived, the show had already begun. The inside of the theater was pitch black as soon as the door shut behind us. My wife held my arm tight and squeezing my hand as I led the way up the dark stairs and looking for two seats far from people. Fortunately this was a mid-afternoon show on a Wednesday so the crowd was sparse. Maybe a dozen others in this large theater.

I whispered to her that a couple seats were over there as our eyes she adjusted to the dark. The movie's opening credits were ending and big explosions dominated the huge screen. We watched the action for a few minutes and then looked around the room and could make out several rows of empty seats and the shapes of the people, some sitting together others sitting alone. I picked a row in about the middle of the theater and led my wife down it, sliding by the empty seats and picking two seats about in the middle of the row.

We sat and watched the scene on the screen, I could see she was relaxing next to me, getting used to the dark and enjoying the movie. I slowly looked around the theater as the on-screen explosion lit up the crowd and noticed what looked like another couple toward the back, a group of geeky guys a few rows ahead of us, the rest of the occupants were single guys, and another couple scattered throughout. After about 15 minutes of watching, I glanced again around and everyone was deep into the show.

By now, Shawn was fumbling with my pants button and zipper. This got me instantly hard and I could not help but to reach between my legs and start squeezing my own cock. I put my free hand on her thigh and gave it a gentle squeeze. I felt her part her legs just a touch as I did so. I moved my hand up her thigh slowly, not hearing her complain. I kept moving up until I felt the side of my hand touch her pussy, to my surprise my hand touched bare skin. Shawn had left her panties at home and I was pleasantly surprised to find out. I let my fingers work their way into the wet

folds of her pussy in search of her very sensitive clit. Once I discovered it, I gently massaged it with my thumb. This only made her squirm a bit and spread her legs a bit further apart. I glanced back and to my right and everyone was still into the movie.

I could not handle it any longer when she pulled my zipper down and fished my aching cock out of my pants. As soon as it was free, she I started to slowly stroke me. The feel of my wife's pussy against my fingers and the feel of her hand on my cock had me almost ready to explode. I whispered to my girl to take a look to her right, down towards the end of the row, which she did and there was a guy stroking his cock. She gasped but did not look away, instead she adjusted herself in her seat so she could get a better view of what he was doing, completely forgetting about the movie on the screen.

As she switched between watching the guy then the movie, I fingered her moist pussy. She was quietly moaning but still keeping a straight face and trying to hide the fact that she was enjoying what I was doing. I looked down the row at him and our eyes met. I looked away, but I know he was looking at me, at my wife stroking my cock as the frantic music and action played on. After one dark sequence on screen, I looked back down the row and he was gone. Suddenly Shawn whispers that he's sitting a seat away from her. I look over and he was right where she said. His cock was still out as was mine and without any verbal communication, during the next dark screen he moved over next to Shawn. I had whispered that I was okay with it if she wanted to touch him too.

The guy's cock stood up tall and straight and I looked over to see her hand close around it. She stroked his cock, and mine, and he put his hand over hers to get her to speed up her strokes. She moved her hand to squeeze his balls as he stroked himself to

his preferred speed. He was very much enjoying the feeling of her small hands on his balls and I saw him lean forward and say to her that he was going to cum soon. She got a huge smile on her face at this and squeezed his balls tighter. Then to my surprise she leaned down into his lap and took the entire length of his cock into her mouth. No sooner then he entered her mouth did he started to spasm in pleasure as he emptied every drop of cum in his balls down her little mouth. She made sure to suck him long enough to get every last ounce of cum and then licked his cock head clean. He hurriedly put his cock away told her thank you and walked back down the aisle behind us and out of the theater.

Once he departed she turned around in her seat and and told me she really enjoyed that. I told her she was a very naughty girl. This whole time I was still slowly stroking my cock and I was hard as ever. She leaned over and took my cock in her mouth and gave it a few strokes with her hand as she sucked on just the head, she then sat back up and told me I would have to wait awhile before she would let me cum, all I could do was sit there and continue to stroke my cock now wet with her saliva.

We sat and watched more of the movie for a few more minutes. She went from watching the movie back to stroking me. She had her skirt hiked up and was softly rubbing her fingers along her pussy lips massaging her clit while she played with my cock and cock head. I could not see every detail of her beautiful body in the dark but with the light coming from the screen I could see well enough to be driven wild by her sexiness. The movie was about half over by now.

After some tight strokes of my cock, she leaned forward and worked her mouth around the swollen head of my cock pushing forward and taking as much of me in her mouth as she could. I could make out her

I told her she was a very naughty girl. This whole time I was still slowly stroking my cock and I was hard as ever. She leaned over and took my cock in her mouth and gave it a few strokes with her hand as she sucked on just the head...

eyes starting to water and as I pushed deeper and I knew she was fighting off the urge to gag. She then pulled away from me but not enough that my cock came out of her mouth, just so that the very tip of my

cock was just inside of her mouth, She worked her tiny hand up and down the shaft now that it was wet with her saliva and tears. I was lost in ecstasy, pushing back against the seats in front of us, letting her explore the length of my cock with her hands and mouth.

I knew I couldn't hold out much longer. With just a couple more strokes, I moaned quietly and spurted three long thick ropes of my juices into her mouth. As I was cumming, the final victory scenes were playing on the screen. Big blasts of cinematic explosions along with my own made this an experience I'll never forget. But wait, what about Shawn? During the final blasts, I managed to get several fingers inside her and she came just as the final credits started rolling and the ushers were opening the doors. We straightened ourselves up and thought this little adventure made a perfect number 10!

– Rick and Shawn

BAR FLIES

After deeply enjoying several drinks at my favorite bar, I noticed my good friend Blake open the door and walk in. He had always flirted with me when I had a boyfriend, but I was single now. I loved teasing him when I was with my ex, but I was really curious about

what he might be like in bed. He saw me and walked right over to say hello. I greeted Blake by giving him a tight hug. I leaned into him, pressing my breasts and nipples into his chest. As he sat down on the bar stool next to me, we caught up on a few things, and he bought me a drink. He was flirting with me, just the way he did when I was with my ex, but I had no guilt of a lover back home to hold me back now.

I put my hand on his thigh, and squeezed it when he made me laugh at an old joke we shared. I knew I was a little tipsy, but that didn't matter. Slowly, everyone at the bar faded away. I found myself leaning in to him and speaking softer, slower and biting my lip when I waited for his responses. After a few minutes I turned my head around to the side of Blake's face, and whispered that I always thought he was sexy. After the last heavy breath of that whisper, I felt Blake's hand on my thigh, slipping under the tender fabric of my skirt. A wicked grin came across my face as he discovered I decided to forgo underwear that day. He took that as a signal to slip a finger between the my pussy lips. He used his finger to spread my lips apart, and rubbed another finger through the sweet, wet places he was searching for.

I put my hand back on Blake's thigh, and moved my hand up to his groin, where I discovered a throbbing cock begging to escape his jeans. I ran my hand up against it, while I feigned small talk. He appreciated my attention to him, and showed me by slipping a finger into my wet pussy. I responded as best I could, occasionally giving in to an urge to moan. I rubbed his cock over his jeans as he squirmed on the barstool. I traced the outline of his cock with my finger. I unzipped his pants a couple inches only and put my finger in and found his cock head. I used my nail to tease it and he leaned into me and moaned in my ear.

A waitress walked past us, and asked us if we needed anything. I told her no thank you, and that I had everything I needed at the moment. She looked at Blake and back at me, and walked away with out even a second glance. I told him that we should finish this in the car. He laughed and paid the tab and we headed out to his SUV. It was just the right size for what we were about to do.

I was always considered a good girl and tried to like up to that. What you might consider cheating, I would consider a hook up. Now, I'm pretty wild so those kind of words don't hold much water. But what does, is how much I want to have sex. Every guy is different, so I like to sample the pleasures of the world. I cannot be bothered to define if I'm cheating or not. I'm here for a good time and to show one to my partner. To me, that's all just good clean fun!

Tyler was studying for her math final, but wide-eyed innocent teen that she is, she was getting very confused by numbers. Lucky for her Tyler, her tutor Jared was there to help, but there were a couple questions even he didn't know the answer top. So he called JT to come over. They moved outside by the pool to tackle the difficult question of two into three how many times? Rather than a piece of paper to work out the answer, they got naked and figured it out sexually.

my wife is mildly wild

Now, it was time for me to stiffen. At this point, with no one but us in the pool area, got even busier under the warm, bubbling water!

Well, I did not expect to hear from my wife so soon so soon. She had was a long trip on one of those craft shows a couple states over in Indiana. Ever since she started her business, she's been going to these shows once every few months. I received the text message a day ago, informing me she would be finishing in St. Louis. She asked if I could arrange to meet her there. I texted back that I missed her and would see her there tomorrow.

The next day I arrived and waited at baggage claim. Soon she appeared and said she had parked right outside. I grabbed my bag from the carousel and we hugged with a warm, but brief, embrace and the briefest of pecks on the lips. It was great, bags in tow with one hand, and my wife's holding the other.

We got to her SUV, jumped in, and I asked if she'd like dinner. Now, I was not hungry - not for food, anyway. I was merely being gracious. She said she was not hungry and we should just head to the hotel room that she had reserved for a couple days. She drove the couple miles to the hotel and we headed up to the room.

I dropped the bag on the floor, and we decided to hit the hot tub on the top floor of the hotel. She said it had a wonderful view of the Gateway Arch. We changed, grabbed towels, and took the elevator up. There was

no one else there so we had the pool area to ourselves. We slipped into the hot tub, she on one side, me on the other. This was good, because I got to gaze into her incredible eyes as we spoke. After a few minutes, we began a game of 'footsie' under the water. Wiggling our toes back and forth, we took turns slipping a big toe between the big and second toes of the other. We found this highly erotic, for we would slide them back and forth in a very suggestive way.

I was no longer content to sit across from her, so I slid across the hot tub. While sitting next to her, I stroked her lovely thighs. After a few moments of this, I was able to work a finger between the suit and her thigh. It was then fairly easy to move my finger toward her twice-wet pussy. As soon as I touched her labia, she stiffened. I took a moment to wiggle the first digit of my fingers into her pussy, and again she shuddered from the sensation.

While I played at her slit, she reached for one of my thighs and snaked its way inside the suit's leg and up to my cock. Now, it was time for me to stiffen. At this point, with no one but us in the pool area, got even busier under the warm, bubbling water!

While a couple of my fingers stayed in her pussy, my other hand slipped up to her bikini top. The neckline re-

vealed a generous portion of cleavage and I slipped my hand between her breasts. This led to some passionate kissing, as well as deeper probing and stroking with our fingers and hands. Since the pool area was still open, we knew other hotel guests could walk in at any time.

Continuing for a few minutes more, I finally suggested we retire to our room. After a few more moments of carnal contact, she agreed. I stepped out of the hot tub first, grabbed a towel and reached for her hand. Once she was out of the water, my arms embraced her. It was exciting toweling her dry. We elevatored back down to our room and took turns stripping off each other's bathing suit. First, the release of her breasts. I paused briefly to adore each giving the nipples a small lick and suck before continuing my disrobing quest.

I finished peeling her suit off as the fabric pulled over her mons. Her thick bush of hair was my prize, and I buried my face into her lovely bush. The mix of chlorine from the pool and her pussy was strangely sensual. As we were now nude, it was a quick move to the bed. We were no longer subtle in our movements. It was as though we became overwhelmed with unbridled passion as we literally attacked each other. Caresses and penetrations to her body resulted in her body's writhings and stiffening. It was beyond wonderful.

As she passed my waist, she retracted her hand, licked her index finger, and slowly but firmly slipped it into my anus. I thought I was going to cum, but did not. She grabbed my cock and began to stroke it hard. While doing the cock stroking, she stopped the anal stroking by slipping her finger all the way up to her knuckle. While holding her finger's

position, she was able to move just the first joint of the finger. She absolutely knew what she was doing. At this point, my cock stiffened like I'd never experienced. Her continued stroking was taking me to the promised land. I tried to get her to stop but she wouldn't.

She relentlessly kept up stroking my cock, all the time with her finger still in my butt hole. Within a few minutes, she had me spraying all over her hand, stomach and the bed sheets. My screaming would likely have awakened the dead, but this hotel must have been well-insulated. If the neighbors heard anything, it was probably muffled.

Now that I spent the first one, it was my turn to be in charge. Since she had entered my back door, I believed it only fair that I return the favor. I dove between her thighs as though we were back in at the pool. As I buried my lips and nose into her bush, I slid two fingers into her pussy and one into her ass. In synchronized movement, I rapidly stimulated both while licking her clit. Her back arched, her thighs squeezed, and she climaxed. I don't know which one of us screamed louder - but it really doesn't matter.

After we calmed down, with my cum still on her body, she rolled on top of me. It felt really good, as we squished together. We rolled to our sides, facing each other, and fell asleep without changing positions all night long. In the morning, over coffee, I asked how she got so frisky last night. There was special reason, she said, only that she missed me and wanted to get a little wilder than she had been. And she did. We didn't set the town on fire, but for us, it was a great night and she promised to carry her enthusiasm into our bed at home. Can't wait to get home!

Her back arched, her thighs squeezed, and she climaxed. I don't know which one of us screamed louder - but it really doesn't matter.

Should I tell you that this is my first gang bang. Well, it is, unless you count the time in college when I did the quarterback and the tight ends. Or the time on the dude ranch when I was there with a few cowboys in the hay. Or the time when I did a few guys from the pit crew. And there was time when I played tonsil hockey and hide the sausage with some girls on a sleepover. Other than that, this is my first time.

Denis could barely keep his cool when Simone delivered her report to his desk in a black skirt that showed the full curve of her hips and plump ass. While Denis looked over the papers, Simone unbuttoned her blouse and gave him a peek. Once they locked lips and started making out, he bent her over and licked her pussy and ass from behind, then slipped in his cock, first into her pussy and then her ass as she took his long 'dick-tation.'

Ashlee and Alina spend 50 hours a week at work in Chicago. So when they get some time to themselves, they vacation together, and that includes this summer. They're off to the countryside to relax and unwind. A secluded B & B provides the perfect getaway. With no other guests around and the owners off for the day, the two decide to make the home their own and get down to some fabulous pussy licking and exquisite finger-fucking.
